

United States of America
Department of Transportation—Federal Aviation Administration
Supplemental Type Certificate

Number SA2468CE

This certificate, issued to **Advanced Aircraft Extinguishers, Ltd.
P.O. Box 1117
Blue Springs, MO 64013-1117**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: **A33EU**
Make: **Avions Marcel Dassault-Breguet Aviation**
Model: **Falcon 10**

Description of Type Design Change:

Installation of Fuselage Fire Protection System in accordance with: (1) Total Flood Drawing List TFA 10-0046, no revision dated March 28, 1988, and (2) Total Flood Airplane Flight Manual Supplement TFA 09-0033, dated February 28, 1989, or later FAA approved revisions to (1) and (2).

Limitations and Conditions:

This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: **March 28, 1988**

Date issued: **February 1, 1993**

Date of issuance: **February 28, 1989**

Date amended:

By direction of the Administrator
